Entry certificate print out details **Below**

**Above** – Name of Authority to be printed on the New Entry certificate is updated here.

**Below** is Site code and App version text update screen for display on Welcome page in frontend

The screenshot shows the 'Welcome Page Display' modal. It contains a text area for 'Site Code' and 'App version'. Below the text area are 'Cancel' and 'Update' buttons. The background interface shows a sidebar with 'Front End Pages', 'Logo Upload', and 'Text Updates' tabs. The 'Text Updates' tab is active, showing 'Welcome Page', 'Form Letterhead', and 'Form Print Details' sections. The 'Welcome Page' section has an 'UPDATE LOGO' button and an 'Update Site Code+ Version' button. The 'Form Letterhead' section has an 'UPDATE LOGO' button and an 'Update Contact Details' button. The 'Form Print Details' section has an 'UPDATE LOGO' button and an 'Update Authority Details' button. The top of the interface has search bars for 'Stand Number' and 'Receipt Number'. The bottom of the interface shows a pagination bar with '1' and '10 / page'.

**Below** is Business Contact details updating screen which will display on all Forms as letter head details.

The screenshot shows the 'Forms Letter Head' modal. It contains a text area for 'Street Address', 'Suburb', 'Town', 'City', 'Province', 'Code', 'Office Telephone', and 'Email Address'. Below the text area are 'Cancel' and 'Update' buttons. The background interface is the same as the previous screenshot, showing the 'Text Updates' tab with 'Welcome Page', 'Form Letterhead', and 'Form Print Details' sections. The 'Form Letterhead' section has an 'UPDATE LOGO' button and an 'Update Contact Details' button. The 'Form Print Details' section has an 'UPDATE LOGO' button and an 'Update Authority Details' button. The top of the interface has search bars for 'Stand Number' and 'Receipt Number'. The bottom of the interface shows a pagination bar with '1' and '10 / page'.

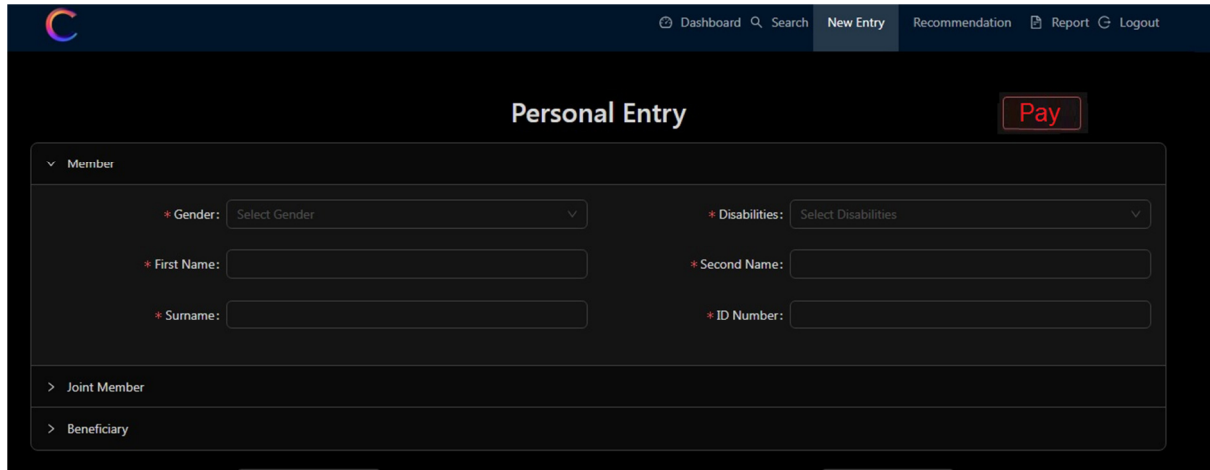

## FRONTEND FORM **(NEW)**

**Below** is Finance Form layout

STATEMENT OF ACCOUNTS									
No	Receipt Number	Stand Number	Services Description	Unit	Amount	Total	Status	Action	Security Label Code
1 *		T011					<input checked="" type="checkbox"/>	<a href="#">Update</a> <a href="#">Approve</a>	
1 *	1234	W023	Local Fees	01	150.00	150.00	<input checked="" type="checkbox"/>	<a href="#">Update</a> <a href="#">Approve</a>	
1 *	1234567	P123	Local Fees	01	150.00	150.00	<input checked="" type="checkbox"/>	<a href="#">Update</a> <a href="#">Approved</a>	a123gh7kj

**Workflow for above** - When payment button is selected in New Entry forms the stand number captured in that comes here and display in **RED** awaiting to be updated with payment receipt details.

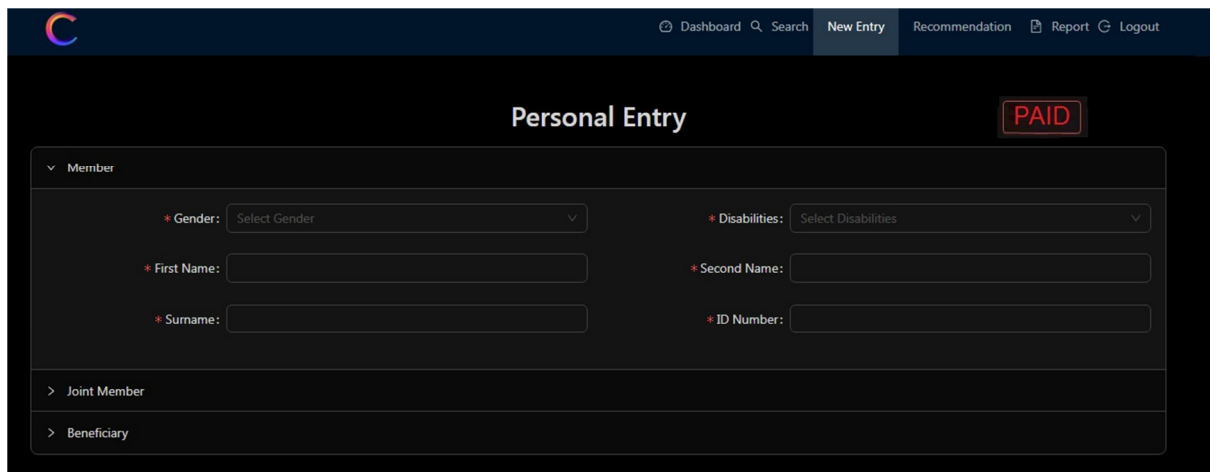

#### New Entry Form with **PAY** status

The screenshot shows a web application interface for 'Personal Entry'. The top navigation bar includes a logo, 'Dashboard', 'Search', 'New Entry' (active), 'Recommendation', 'Report', and 'Logout'. The main form is titled 'Personal Entry' and has a 'Pay' button in the top right corner. The form is divided into sections: 'Member' (expanded), 'Joint Member', and 'Beneficiary'. The 'Member' section contains fields for Gender, Disabilities, First Name, Second Name, Surname, and ID Number. The 'Joint Member' and 'Beneficiary' sections are currently collapsed.

**Above** – As soon as User finishes capturing the data and save the **PAY** status is activated.

#### New Entry Form with **PAID** status

The screenshot shows the same 'Personal Entry' form as above, but the status has changed to 'PAID'. The 'Pay' button is now replaced by a 'PAID' button in the top right corner. The form structure and fields remain the same, with the 'Member' section expanded and the others collapsed.

**Above** – Once User selected **PAY** button the Finance form get populated with stand number in red awaiting for payment receipt details to be updated and approved. Once approved it activates **PAID** status back in captured Entry form and activate **Print** button to enable printing.

Finance Form with populated stand number in Red
